

United States District Court for the Western District of Pennsylvania
2020 Courtroom Technology Training Schedule for Erie, Johnstown and Pittsburgh

Courtroom technology training seminars for attorneys, paralegals, and other support staff will continue to be offered throughout 2020. These sessions are to explain the capabilities and function of the A/V equipment that is available to aid in the planning for future proceedings and trials. All three courthouses will be touched upon in each of the sessions regardless of which location you attend.

Attendance at one of these sessions is strongly recommended to anyone who expects to have a trial in the Erie, Johnstown or Pittsburgh Courthouses and who have not attended previous training seminars.

For those who have previously attended a training session you are welcome to attend again as a refresher or follow-up. Many of our courtrooms have been upgraded, or are in the process of being upgraded, with new high definition computer hookups and evidence monitors.

All sessions are held on Fridays, begin at noon, and run about 45 minutes in length.
