Likes			10/7/18 9:35 PM	<p>Does the name Anders Breivik mean anything to you? If you are a white nationalist it should. This man killed 77 people in Norway. Your first reaction is probably \OMG what a monster\". You should know that the location of the murders was at a communist youth camp on an island. The students there were the children of Jewish politicians that were pushing for the Islamic invasion of Norway commonly referred to as multiculturalism. The other main ideology being taught at this youth camp was feminism. Å Anders said that feminism was killing Norway through Cultural Marxism. He is a National Socialist. He is still alive in a Norwegian prison. #RiseUp #14WordsÅ </p>\n
