**TICKETS**  
 Please contact the host organization or congregation for specific RSVP instructions.

**National Refugee Shabbat 2018** is a moment for congregations, organizations, and individuals around the country to create a Shabbat experience dedicated to refugees.

This national event is a meaningful opportunity to deepen our understanding of today's global refugee crisis, connect with the Jewish movement for refugees, commit (or recommit) to taking action, and either celebrate your community's achievements in working with refugees or launch new efforts.
