Add New Party Screen

Please refer to the CM/ECF Party Name Data Conventions Manual on the court's website.

The left panel below contains the buttons to **[Add New Party]** and **[Create Case]**. Since no participants have been entered for this new case, the participant tree (under **Collapse All**) is empty.

You must enter all appropriate parties **EXACTLY as they appear in the caption of your petition.** Starting with the petitioner and followed by respondent(s), search for each party by entering the last name, first name, and middle name/initial if applicable, in the corresponding fields and clicking **[Search]**. Do NOT put any title, generation, or other descriptive text in the first, middle, or last name fields. If the party is a government agency or other entity, the full name should be entered in the **Last / Business Name** field.

If the exact party name appears in the **Search Results** box, highlight it and click **[Select Party]**. If the exact party name does not appear, click **[Create New Party]** and create the party.

REMEMBER: Party names in this court are in ALL CAPITAL LETTERS. Also, the party names must exactly match the party names as they appear in the caption of the petition. Do NOT select an existing party from the search results if it deviates in any way from the party name in the caption of your petition. (i.e. do NOT select "PAM JONES" if your party is named "PAMELA JONES").
